THE HON'BLE SRI JUSTICE N.V. RAMANA

W.P. No. 17811 of 2007

Oral order:

The petitioner who is working with the respondents-APSRTC as Conductor has filed this writ petition assailing the proceedings dated 18.05.2007 seeking to retire him on medical grounds and rejecting his request for providing him alternative employment.

Today when the writ petition is taken up for hearing, the learned Standing Counsel for the respondents-APSRTC produced a copy of the letter dated 29.09.2007 addressed by the Senior Law Officer to the Regional Manager, APSRTC, Guntur Region, informing him that the VC & MD has accorded sanction to provide alternative post of Shramik to the petitioner and requested him to appoint the petitioner in the said post, and submitted the petitioner would be appointed in due course.

Since the VC & MD, is said to have accorded sanction to provide alternative employment to the petitioner as Shramik, and inasmuch as steps to appoint the petitioner as Shramik, were already directed to be taken, and having regard to the statement made by the learned Standing Counsel for the respondents-APSRTC that the petitioner would be appointed as Shramik in due course, no orders need be passed in the writ petition.

Accordingly, placing the submission of the learned Standing Counsel for the respondents-APSRTC on record, the writ petition is closed.
